

# Watermelon Merge

Thank You for buying watermelon merge game code from us, we hope you like our work. and feel free to contact us at any time if you need support or custom features and changes

Email: [gamesap96@gmail.com](mailto:gamesap96@gmail.com)

## PROJECT SETUP

- Using Unity 2021.3.15.f1

## HOW TO CHANGE ID ADS?

windows=> gley => mobile ads (unity ads sdk is already on the project)

Add your ids and **don't forget to press save.** And if you want another ad network or got some problem with ads check gley documentation (Gley Plugins > ads > documentation)
